CYTODYN INC.

**PROXY STATEMENT
SPECIAL MEETING OF STOCKHOLDERS**

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of CytoDyn Inc., a Delaware corporation ("CytoDyn" or the "Company"), to be voted at the special meeting of stockholders to be held on May 22, 2019 (the "Special Meeting"), and any postponements or adjournments thereof. The proxy statement and accompanying form of proxy were first mailed to stockholders on or about April 22, 2019.

VOTING, REVOCATION, AND SOLICITATION OF PROXIES

Solicitation of Proxies. The enclosed proxy is solicited by and on behalf of the Board, with the cost of solicitation borne by the Company. Solicitation may also be made by directors and officers of the Company without additional compensation for such services. In addition to mailing proxy materials, the directors, officers and employees may solicit proxies in person, by telephone or otherwise.

The Company has also retained Alliance Advisors LLC to assist it in the solicitation of proxies. Alliance Advisors LLC will solicit proxies on behalf of the Company from individuals, brokers, bank nominees and other institutional holders in the same manner described above. Alliance Advisors LLC will receive a base fee of \$8,000, plus approved and reasonable out of pocket expenses, for its services to the Company for the solicitation of the proxies. The Company has also agreed to indemnify Alliance Advisors LLC against certain claims.

Voting. You may submit a proxy to have your shares of common stock voted at the Special Meeting in one of three ways: (i) completing, signing, dating and returning the enclosed proxy card in the accompanying prepaid envelope; (ii) calling toll-free at the telephone number indicated on the enclosed proxy card; or (iii) using the Internet in accordance with the instructions set forth on the enclosed proxy card. When a proxy is properly returned, the shares represented by the proxy will be voted at the Special Meeting in accordance with the instructions specified in the spaces provided in the proxy. **If no instructions are specified, the proxies will be counted for purposes of determining whether or not a quorum is present, and will be voted FOR Proposals 1, 2 and 3.** If a stockholder of record attends the Special Meeting, he or she may vote in person. If you hold shares through a broker or nominee (that is, in "street name"), please follow their directions on how to vote your shares.

Banks and brokers acting as nominees are permitted to use discretionary voting authority to vote proxies for proposals that are deemed "routine" by the New York Stock Exchange, but are not permitted to use discretionary voting authority to vote proxies for proposals that are deemed "non-routine" by the New York Stock Exchange. The determination of which proposals are deemed "routine" versus "non-routine" may not be made by the New York Stock Exchange until after the date on which this proxy statement has been mailed to you. As such, it is important that you provide voting instructions to your bank, broker or other nominee, if you wish to determine the voting of your shares. If the New York Stock Exchange determines such proposal to be "non-routine," failure to vote, or to instruct your broker how to vote any shares held for you in your broker's names will have the same effect as a vote against Proposal 1, but will have no effect with respect to Proposal 2 or Proposal 3.

A broker “non-vote” occurs when a proposal is deemed “non-routine” and a nominee holding shares for a beneficial owner does not have discretionary voting authority with respect to the matter being considered and has not received instructions from the beneficial owner.

If you have additional questions, need assistance in submitting your proxy or voting your shares of common stock, or need additional copies of the proxy statement or the enclosed proxy card, please contact Alliance Advisors LLC.

Revocation of Proxies. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company or by submitting a later-dated proxy prior to a vote being taken at the Special Meeting. Attendance at the Special Meeting alone will not be sufficient to revoke a previously submitted proxy. If you hold shares through a broker or nominee (that is, in “street name”), please follow their directions on how to revoke previously submitted instructions relating to your shares.

OUTSTANDING VOTING SECURITIES AND QUORUM

Stockholders of record as of the close of business on April 11, 2019, are entitled to one vote at the Special Meeting for each share of common stock, par value \$0.001 per share (“Common Stock”), of the Company then held by each stockholder. As of that date, the Company had 314,531,264 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock entitled to vote constitutes a quorum at the Special Meeting. Abstentions will be considered present for purposes of determining the presence of a quorum at the Special Meeting. Broker non-votes, if any, will not be considered present for purposes of determining the presence of a quorum at the Special Meeting if the New York Stock Exchange determines all of the proposals to be “non-routine,” but will be considered present for purposes of determining the presence of a quorum at the Special Meeting if the New York Stock Exchange determines any of the proposals to be “routine.”

VOTES REQUIRED

Pursuant to the General Corporation Law of the State of Delaware, Proposal 1 must be approved by a majority of the outstanding shares of stock of the Company entitled to vote on the proposal. Proposals 2 and 3 will be approved if a quorum exists and the votes cast favoring the proposal exceed the votes cast opposing each proposal.

PROPOSAL 1

PROPOSAL TO INCREASE THE COMPANY'S AUTHORIZED CAPITAL TO 700,000,000 SHARES OF COMMON STOCK

The Board believes it is in the best interest of the Company to increase the number of shares of Common Stock authorized for issuance by 100,000,000 shares of Common Stock, bringing the total number of shares of Common Stock authorized from 600,000,000 shares to 700,000,000 shares. These shares do not offer any preemptive rights. The text of the proposed certificate of amendment to the Company's Certificate of Incorporation is attached hereto as Exhibit A. This proposal to increase the number of shares of Common Stock authorized for issuance, if approved at the Special Meeting, will become effective and the Company's number of shares of authorized Common Stock will be increased to 700,000,000 shares upon the filing of the certificate of amendment with the Secretary of State of the State of Delaware. The following discussion is qualified in its entirety by the full text of the certificate of amendment, which is attached to this proxy statement as Exhibit A and is incorporated herein by reference.

Reasons for the Increase

The Board believes that it is desirable to have sufficient authorized shares of Common Stock available for future financings to raise the capital needed to operate its business, and for possible additional future acquisition transactions, joint ventures and other general corporate purposes. The Board believes that having such authorized shares of Common Stock available for issuance in the future will give the Company greater flexibility and may allow such shares to be issued without the expense and delay of an additional special stockholders' meeting. Although such issuance of additional shares with respect to future financings and acquisitions would dilute existing stockholders, management believes that such transactions would increase the overall value of the Company to its stockholders. There are certain advantages and disadvantages of an increase in authorized Common Stock. The advantages include:

- The ability to raise additional capital by issuing capital stock under the type of transactions described above, or other financing transactions.
- To have shares of Common Stock available to finance the Company's ongoing operating capital requirements to advance the Company's lead product candidate, leronlimab (PRO 140), towards regulatory approval, and to pursue other potential business expansion opportunities, if any.

The disadvantages include:

- Stockholders will experience further dilution of their ownership.
- Stockholders do not have any preemptive or similar rights to subscribe for or purchase any additional shares of Common Stock that may be issued in the future, and therefore, future issuances of Common Stock may, depending on the circumstances, have a dilutive effect on the earnings per share, voting power and other interests of existing stockholders of the Company.
- The additional shares of Common Stock for which authorization is sought in this proposal would be part of the existing class of Common Stock and, if and when issued, would have the same rights and privileges as the shares of Common Stock presently outstanding. The Company intends to use the proceeds from any future capital raises for working capital and general corporate purposes. The Company has no arrangements, agreements, or understandings in place at the present time for the issuance or use of the additional shares of Common Stock to be authorized by the proposed Certificate of Amendment. However, the Company has recently conducted certain public and private offerings of Common Stock, convertible notes and warrants, and the Company will continue to require additional capital in the near future to fund its operations. As a result, it is foreseeable that the Company will seek to issue such additional shares of Common Stock in connection with any such capital raising activities. The Board does not intend to issue any Common Stock or securities convertible into Common Stock except on terms that the Board deems to be in the best interests of the Company and its stockholders.

-
- The issuance of authorized but unissued stock could be used to deter a potential takeover of the Company that may otherwise be beneficial to stockholders by diluting the shares held by a potential suitor or issuing shares to a stockholder that will vote in accordance with the Board's desires. A takeover may be beneficial to independent stockholders because, among other reasons, a potential suitor may offer such stockholders a premium for their shares of stock compared to the then-existing market price. The Company does not have any plans or proposals to adopt provisions or enter into agreements that may have material anti-takeover consequences.

Although an increase in the authorized shares of Common Stock could, under certain circumstances, have an anti-takeover effect, this proposal to adopt the amendment is not in response to any effort, of which the Company is aware, to accumulate Common Stock or obtain control of the Company. Nor is it part of a plan by management to recommend a series of similar amendments to the Board and stockholders. The Company has no arrangements, agreements, or understandings in place at the present time to enter into any merger, consolidation, acquisition or similar business transaction.

If the Company's stockholders do not approve the increase in authorized shares of Common Stock, then the Company will be limited in its ability to use shares of Common Stock for financing, acquisitions, or other general corporate purposes. As of April 11, 2019, the Company only had 24,144 shares of Common Stock authorized and unreserved for issuance, which would be available for such purposes.

Approval Required

Pursuant to the General Corporation Law of the State of Delaware, this proposal must be approved by the affirmative vote of a majority of the outstanding shares of Common Stock of the Company entitled to vote on the proposal. Shares that are not represented at the Special Meeting and abstentions and, if this proposal is deemed to be "non-routine" as described above under "Voting, Revocation and Solicitation of Proxies," broker non-votes with respect to this proposal, will have the same practical effect as a vote against this proposal.

The Board recommends that stockholders vote "FOR" the proposal to increase the Company's authorized capital to 700,000,000 shares of Common Stock.

PROPOSAL 2

APPROVAL OF AN INCREASE IN THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE UNDER THE CYTODYN INC. 2012 EQUITY INCENTIVE PLAN

GENERAL

The Board has approved an amendment to the CytoDyn Inc. 2012 Equity Incentive Plan (as previously amended effective August 24, 2018, the “2012 Equity Incentive Plan”) to increase the number of shares of Common Stock available for issuance thereunder by 10,000,000 shares, from 15,000,000 shares to 25,000,000 shares, and directed that the amendment be submitted to the stockholders for approval at the Special Meeting. The proposed amendment is attached hereto as Exhibit B.

The amendment to the 2012 Equity Incentive Plan is intended to ensure that the Company can continue to provide an incentive to employees, directors and consultants by enabling them to share in the Company’s future growth. If approved by the stockholders, all of the additional shares will be available for grant as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”), or as nonqualified stock options, restricted stock awards, stock appreciation rights, or other kinds of equity based compensation available under the 2012 Equity Incentive Plan. If the stockholders do not approve the amendment, no shares will be added to the number of shares available for issuance under the 2012 Equity Incentive Plan.

BACKGROUND

The 2012 Equity Incentive Plan was adopted on December 12, 2012, and approved by the stockholders of the Company at an annual meeting of the Company’s stockholders on the same date. 3,000,000 shares of Common Stock were initially available for awards under the 2012 Equity Incentive Plan. At a special meeting held on February 27, 2015, stockholders approved an increase in the number of shares of Common Stock available for issuance under the 2012 Equity Incentive Plan from 3,000,000 shares to 5,000,000 shares, which was subsequently effected. At a special meeting held on March 18, 2016, stockholders approved an increase in the number of shares of Common Stock available for issuance under the 2012 Equity Incentive Plan from 5,000,000 shares to 7,000,000 shares, which was subsequently effected. Further, at an annual meeting held on November 8, 2018, stockholders approved an increase in the number of shares of Common Stock available for issuance under the 2012 Equity Incentive Plan from 7,000,000 shares to 15,000,000 shares, which was subsequently effected.

The Company uses equity-based incentive compensation as a component of its pay-for-performance philosophy. The purposes of the 2012 Equity Incentive Plan are to create incentives which are designed to motivate eligible employees, directors, and consultants to put forth maximum effort toward the success and growth of the Company, and to enable the Company to attract and retain experienced individuals who by their position, ability and diligence are able to make important contributions to the Company’s success.

The Board requires additional shares available for issuance under the 2012 Equity Incentive Plan for the effective implementation of its compensation strategy. The 2012 Equity Incentive Plan currently authorizes for issuance a maximum of only 15,000,000 shares. As of April 11, 2019, the number of shares available for issuance under future awards under the 2012 Equity Incentive Plan was only 24,144 shares. If Proposal 2 is not approved, the Company will not be able to provide equity incentive compensation to current and future employees and, as a result, the Company may not be able to retain current employees or attract new employees.

The 10,000,000 share increase from 15,000,000 shares to 25,000,000 shares of Common Stock available for grant under the 2012 Equity Incentive Plan represents approximately 3.2% of the total number of outstanding shares of Common Stock as of April 11, 2019. After giving effect to such increase, the number of shares of Common Stock subject to outstanding equity awards and available for issuance pursuant to future awards will represent approximately 1.8% of the total issued and outstanding shares of Common Stock (on a fully diluted basis after giving effect to such future award issuances).

Summary of Key Terms of the 2012 Equity Incentive Plan

Under the 2012 Equity Incentive Plan, the Company may grant awards of options, stock appreciation rights, restricted awards, and Other Stock-Based Awards (as defined in the 2012 Equity Incentive Plan). We refer to these collectively as “Awards.”

Awards under the 2012 Equity Incentive Plan may be granted to (i) employees of the Company or an affiliated entity, (ii) members of the Board who are not employees of the Company or an affiliated entity, and (iii) any consultant or adviser to the Company or an affiliated entity. As of April 11, 2019, four executive officers and six non-employee directors were considered eligible to participate in the plan, in addition to the other employees, consultants and advisers of the Company. Incentive stock options within the meaning of Section 422 of the Code generally may only be granted to employees of the Company or a subsidiary.

Common Stock delivered by the Company with respect to stock option or restricted stock awards may be authorized and unissued Common Stock or Common Stock held in the treasury of the Company.

Administration

The Board had delegated administrative authority with respect to the 2012 Equity Incentive Plan to the Compensation Committee. The Compensation Committee has the authority to:

- promulgate, amend, and rescind rules and procedures relating to the implementation of the 2012 Equity Incentive Plan;
- select the employees, Non-Employee Directors (as defined in the 2012 Equity Incentive Plan), and Consultants (as defined in the 2012 Equity Incentive Plan) who will be granted Awards;
- determine the number and types of Awards to be granted to each participant;
- determine the number of shares, or share equivalents to be subject to each Award;
- determine the Fair Market Value (as defined in the 2012 Equity Incentive Plan) of shares if no public market exists for such shares;
- determine the option price, purchase price, base price, or similar feature for any Award;
- accelerate vesting of Awards and waive any restrictions; and
- determine all the terms and conditions of all Award Agreements (as defined in the 2012 Equity Incentive Plan), consistent with the requirements of the 2012 Equity Incentive Plan.

Available Awards Under the 2012 Equity Incentive Plan

The types of awards that may be granted by the Compensation Committee under the 2012 Equity Incentive Plan include:

Options

Options to purchase Common Stock may be incentive stock options meeting the requirements of Section 422 of the Code, or nonqualified options which are not eligible for such tax-favored treatment. Currently, up to 15,000,000 shares of Common Stock may be issued pursuant to incentive stock options under the 2012 Equity Incentive Plan. If Proposal 2 is approved by the stockholders, the number of shares of Common Stock that may be issued pursuant to incentive stock options will increase to 25,000,000. Incentive stock options will conform with the statutory and regulatory requirements specified pursuant to Section 422 of the Code, as in effect on the date such incentive stock option is granted. Incentive stock options may not be granted under the 2012 Equity Incentive Plan after December 12, 2022, and may only be granted to employees of the Company or one of its subsidiaries. If options intended to be incentive stock options are granted to a participant in excess of the \$100,000 annual limitation set forth in Section 422(d)(1) of the Code, the options will be incentive stock options to the maximum extent allowed and will be nonqualified stock options as to any excess over that limitation. Incentive stock options must expire not

more than 10 years from the date of grant. The 2012 Equity Incentive Plan does not specify a maximum term for nonqualified options. The exercise price per share must be not less than 100% of the fair market value of a share of Common Stock on the date the option is granted for both incentive stock options and nonqualified options. Incentive stock options granted to a participant holding more than 10% of the Common Stock must expire not more than five years from the date of grant, and the exercise price per share must be not less than 110% of the fair market value of a share of Common Stock on the date the option is granted.

Stock Appreciation Rights ("SARs")

A recipient of SARs will receive upon exercise an amount equal to the excess (or specified portion thereof) of the fair market value of a share of Common Stock on the date of exercise over the base price, multiplied by the number of shares as to which the rights are exercised. The base price will be designated by the Compensation Committee in the award agreement and may be equal to or higher than the fair market value of the Common Stock on the date of grant. Payment may be in cash, in shares of Common Stock, in other property, in any combination of the foregoing, or in any other form as the Compensation Committee may determine. SARs may be granted in connection with options or other awards or may be granted as independent awards.

Restricted Awards

Restricted awards may take the form of restricted shares or restricted units. Restricted shares are shares of Common Stock which are subject to such limitations as the Compensation Committee deems appropriate, including, but not limited to, restrictions on sale or transfer. Additionally, restricted shares may be subject to forfeiture in the event the recipient terminates employment or service as a director or consultant during a specified period, or fails to meet designated performance goals, if any. Stock certificates representing restricted shares are issued in the name of the recipient but are held by the Company until the expiration of any restrictions, at which time the restrictive legends are removed from the stock certificates. Beginning with the date of issuance of restricted shares and prior to forfeiture, the recipient is entitled to the rights of a stockholder with respect to such shares, including voting and dividend rights. Shares issued as stock dividends will be subject to the same restrictions as the related restricted shares.

Restricted units are awards of units equivalent in value to a share of Common Stock, which similarly may be subject to forfeiture if the recipient terminates employment or service as a director or consultant during a specified period, or fails to meet designated performance goals, if any. At the expiration of such period, payment is made with respect to restricted units in an amount equal to the value of the number of shares covered by the units. Payment may be in cash or unrestricted shares of Common Stock or in any other form approved by the Compensation Committee. The Compensation Committee will establish the terms and conditions of restricted units so that they will comply with or be exempt from the requirements of Section 409A of the Code.

Other Stock-Based Awards

The Compensation Committee may grant other awards that involve payments or grants of shares of Common Stock or are measured by or in relation to shares of Common Stock. The 2012 Equity Incentive Plan provides flexibility to design new types of stock-based or stock-related awards to attract and retain employees, directors and consultants in a competitive environment.

Adjustments for Changes in Capitalization

In the event of a change in capitalization, the Compensation Committee will make such proportionate adjustments in the aggregate number of shares for which awards may be granted under the 2012 Equity Incentive Plan, the maximum number of shares which may be awarded to any participant, and the number of shares covered by, and the exercise or base price of, any outstanding awards, as the committee in its sole discretion may deem appropriate.

Duration, Termination and Amendment of the 2012 Equity Incentive Plan

The 2012 Equity Incentive Plan will remain in effect until December 12, 2022, or, if earlier, when awards have been granted covering all available shares under the 2012 Equity Incentive Plan or the 2012 Equity Incentive Plan is otherwise terminated by the Board. The Board may terminate the 2012 Equity Incentive Plan at any time, but any such termination will not affect any outstanding awards. The Board may also amend the 2012 Equity Incentive Plan from time to time, provided that no amendment may be made without stockholder approval if such approval is required by applicable law or the requirements of an applicable stock exchange or registered securities association. Pursuant to such provisions, the Board has approved an increase in the shares of capital stock authorized for issuance under the 2012 Equity Incentive Plan as described above, and now submits such amendment to stockholders for approval.

Aggregate Past Grants

As of April 11, 2019, awards covering an aggregate of 14,565,329 shares of Common Stock had been granted and were outstanding under the 2012 Equity Incentive Plan, and awards covering an aggregate of 186,543 were outstanding under the CytoDyn Inc. 2004 Stock Incentive Plan (the “2004 Stock Incentive Plan” and, together with the 2012 Equity Incentive Plan, the “Incentive Plans”).

Federal Income Tax Consequences of Awards

Following is a summary of the federal income tax consequences of option and other grants under the 2012 Equity Incentive Plan. Optionees and recipients of other rights and awards granted under the 2012 Equity Incentive Plan are advised to consult their personal tax advisors before exercising an option, stock appreciation right or other award or disposing of any stock received pursuant to the exercise of an option, stock appreciation right or other award. In addition, the following summary is based upon an analysis of the Code as currently in effect, existing laws, judicial decisions, administrative rulings, regulations and proposed regulations, all of which are subject to change, and does not address state, local or other tax laws.

Incentive Stock Options

There will be no federal income tax consequences to a participant or to the Company upon the grant of an incentive stock option. If the participant holds the option shares for the required holding period of at least two years after the date the option was granted and one year after exercise of the option, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the participant disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, the participant will recognize taxable ordinary income in an amount equal to the difference between the exercise price and the lesser of the fair market value of the shares on the date of exercise or the disposition price, and the Company will be allowed a federal income tax deduction equal to such amount, subject to any applicable limitations under Code Section 162(m). Any amount received by the participant in excess of the fair market value on the exercise date will be taxed to the participant as capital gain, and the Company will receive no corresponding deduction. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be a tax preference item that could subject a participant to alternative minimum tax in the year of exercise.

Nonqualified Options

There will be no federal income tax consequences to a participant or to the Company upon the grant of a nonqualified stock option. When the participant exercises a nonqualified option, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the option shares on the date of exercise over the exercise price, and the Company will be allowed a corresponding tax deduction, subject to any applicable limitations under Code Section 162(m). Any gain that a participant realizes when the participant later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the participant held the shares.

SARs

The participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a stock appreciation right is granted. When the participant exercises the stock appreciation right, the cash or fair market value of any Common Stock received will be taxable to the participant as ordinary income, and the Company will be allowed a federal income tax deduction equal to such amount, subject to any applicable limitations under Code Section 162(m).

Restricted Shares

Unless a participant makes an election to accelerate recognition of income to the grant date as described below, the participant will not recognize income, and the Company will not be allowed a compensation tax deduction, at the time restricted shares are granted. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the Common Stock as of that date, less any amount paid for the stock, and the Company will be allowed a corresponding tax deduction, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the grant date, the participant will recognize ordinary income as of the grant date equal to the fair market value of the stock as of that date, less any amount paid for the stock, and the Company will be allowed a corresponding compensation tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, such participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Restricted Units

The recipient of a restricted unit award will generally recognize ordinary income as and when the shares of Common Stock subject to such award are issued to the recipient in an amount equal to the fair market value of the shares of Common Stock issued (plus the amount (if any) of any cash received). The Company will generally be entitled to a corresponding tax deduction at such time. The recipient of a stock unit award may not make a Code Section 83(b) election upon receipt of a stock unit award.

Other Stock-Based Awards

The federal income tax consequences of other stock-based awards will depend on the terms and conditions of those awards but, in general, participants will be required to recognize ordinary income in an amount equal to the cash and the fair market value of any fully vested shares of Common Stock paid, determined at the time of such payment, in connection with such awards. The Company normally will be entitled to a deduction at the time when, and in the amount that, the participant recognizes ordinary income.

Interests of Directors and Officers

The Company's directors may grant awards under the 2012 Equity Incentive Plan to themselves, as well as its officers, in addition to granting awards to its other employees.

Other Information

A "new plan benefits" table, as described in the SEC's proxy rules, is not provided because all awards made under the amended and restated Option Plan are discretionary. However, please refer to "Executive Compensation" in this Proxy Statement, which provides information on the grants made in the previous fiscal year, and please refer to the description of grants made to non-employee directors in the last previous year under the heading "Compensation of Directors" in this Proxy Statement. Additionally, certain equity awards made to directors and officers since the end of the previous fiscal year are summarized under the heading "Equity Awards Since Fiscal Year End" in this Proxy Statement, and the table above titled "Aggregate Plan Grants" includes information regarding all outstanding awards made pursuant to the 2012 Equity Incentive Plan, as well as certain additional awards outstanding pursuant to the CytoDyn Inc. 2004 Stock Incentive Plan.

No additional awards are currently contemplated to be made under the 2012 Equity Incentive Plan as to which this approval would specifically relate.

Approval Required

Provided that a quorum is present, this proposal will be approved if the number of shares voted in favor of the proposal exceeds the number of shares voted against. Shares that are not represented at the Special Meeting, and abstentions and broker non-votes, if applicable, with respect to this proposal, will have no effect on the outcome of the voting on this proposal.

The Board recommends that stockholders vote “FOR” the increase in the number of shares of Common Stock authorized for issuance under the CytoDyn Inc. 2012 Equity Incentive Plan.

PROPOSAL 3

APPROVAL THE ADJOURNMENT OF THE SPECIAL MEETING TO SOLICIT ADDITIONAL PROXIES

Adjournment of the Special Meeting

In the event that the number of shares of Common Stock present in person or represented by proxy at the Special Meeting and voting "FOR" the adoption of Proposal 1 or Proposal 2 is insufficient to adopt Proposal 1 or Proposal 2, the Company may move to adjourn the Special Meeting in order to enable the Board to solicit additional proxies in favor of the adoption of Proposal 1 or Proposal 2. In that event, the Company may ask stockholders to vote only upon the adjournment proposal and not on any other proposal discussed in this proxy statement. If the adjournment is for more than thirty (30) days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Vote Required and Board Recommendation

If a quorum is present, approval of the proposal to adjourn the Special Meeting to a later date requires that the votes cast favoring the proposal exceed the votes cast opposing the proposal.

Assuming a quorum is present, abstentions and broker non-votes, if applicable, with respect to this proposal will not be counted for the purpose of determining the number of votes cast and will therefore not have any effect with respect to this adjournment proposal.

The Board recommends that stockholders vote "FOR" the proposal to adjourn the Special Meeting to solicit additional proxies, if there are insufficient proxies at the Special Meeting to approve Proposal 1 or Proposal 2.

Additional Compensation Information

Employment Agreements

On January 6, 2015, the Company entered into employment agreements with Dr. Pourhassan and Mr. Mulholland (together, the “Employment Agreements”). The Employment Agreements provide for indefinite terms of employment, until terminated by either party pursuant to the terms of the Employment Agreements.

The Employment Agreements provide for (i) an annual base salary of \$325,000 for Dr. Pourhassan and \$250,000 for Mr. Mulholland, (ii) a target annual bonus payable in cash or, at the discretion of the Board, 50% in cash and in 50% in Common Stock, for Dr. Pourhassan equal to one-hundred percent (100%) of base salary and fifty percent (50%) for Mr. Mulholland, subject to achievement of certain performance objectives, and (iii) an annual supplemental bonus for Dr. Pourhassan, subject to the sole discretion of the Board, in an amount to be determined by the Board.

Payments upon Termination of Employment or Change of Control

In the event the Company terminates either Dr. Pourhassan’s or Mr. Mulholland’s employment without cause, as defined in the Employment Agreements, and subject to execution of a release of claims, the Employment Agreements provide for (i) payments equal to the sum of twelve months of base salary (except that such amount shall not be payable if, as of the effective time of Dr. Pourhassan’s or Mr. Mulholland’s termination, as applicable, the Board determines either that the Company has less than \$4.0 million in cash-on-hand, or that the net worth of the Company, defined as the total assets of the Company less the total liabilities of the Company, is less than \$5.0 million), and (ii) all stock options and other awards that Dr. Pourhassan or Mr. Mulholland may have shall vest and (if applicable) become immediately exercisable.

In the event the Company terminates Dr. Pourhassan’s or Mr. Mulholland’s employment without cause, or Dr. Pourhassan or Mr. Mulholland resigns for good reason, as defined in the Employment Agreements, within twelve months following a change in control, as defined in the Employment Agreements, and subject to execution of a release of claims, the Employment Agreements provide for (i) payments equal to the sum of eighteen months of base salary (in lieu of, and not in addition to, the twelve months’ base salary that may be payable upon a termination without cause not within twelve months following a change in control), and (ii) all stock options and other awards that Dr. Pourhassan or Mr. Mulholland may have shall vest and (if applicable) become immediately exercisable.

Employee stock options granted after December 1, 2012, vest in full automatically when a change in control occurs; employee stock options granted before December 1, 2012, will vest in full if the Compensation Committee so decides on or before the date a change in control occurs.

The following table shows potential pay-outs under the Employment Agreements as of May 31, 2018, assuming that employment was terminated following a change in control of the Company, either by the Company for reasons other than cause, death or disability, or by the executive for good reason, and that termination occurred on that date. The table shows the value of issued and outstanding stock options that were not vested as of May 31, 2018, but would become exercisable in full upon a change in control of the Company, whether or not the executive’s employment is terminated.
